Thank you for buying Haunted Corridor!

Haunted Corridor
Enhance the horror in your game with this creepy haunted corridor asset. The vintage doors, old pictures, and wheelchair add to the unsettling atmosphere, while the fire axe can be used by the player to defend against supernatural threats they may encounter in the corridor.

Key Features

- **Realistic PBR Textures:** High-quality materials that bring abandoned environments to life, featuring cracked walls, water damage, and eerie decay.
- **Optimized for Performance:** Designed for PC, console, and VR, balancing high-quality visuals with smooth performance.
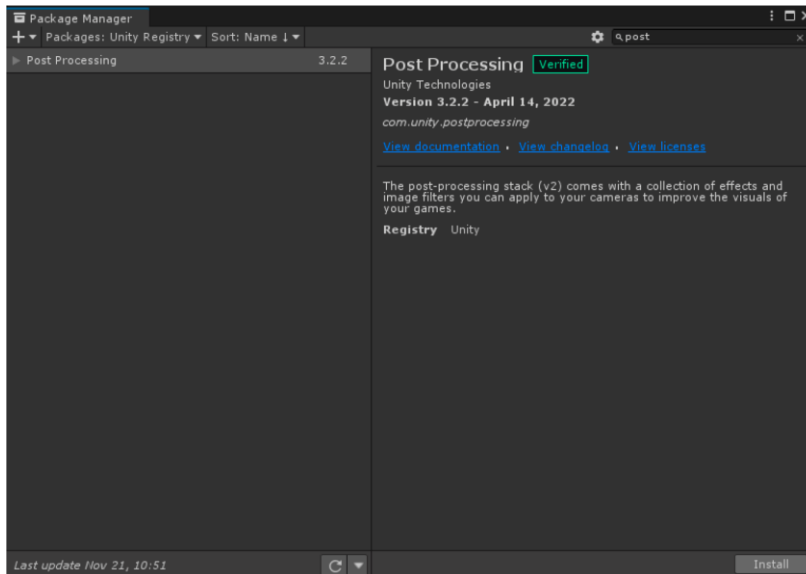

Perfect For

- Psychological horror games.
- First-person exploration and survival experiences.
- Escape room projects.
